Santa Rosa, California

Allen Ellen.  
Thursday.

Dear neighbor!

Just! I'm going to  
send them by land  
next time some one goes  
up. — I'm so sorry  
about your accident.  
that just would happen,  
wouldn't it! As if you  
didn't have enough to stand  
up under! Try to relax a  
much as possible — it's  
all to the good if you do.  
(Easy to say!)

Do — take care of your  
self, & smile when you  
can — under so much  
strain — And worry  
not at all about  
what I am sending  
you. — forgive and I'm  
shamelessly squeezing you —  
Tious — dear & crack!  
How ever we Charmian L.
